Julie, thank you for reaching out. Left a return message for Rob yesterday as well.

Happy to get on the phone with both of you.

I am free after 4pm tomorrow (Wed) and Thursday.

Let me know which works best for you both.

My cell is 206-419-0804.

Rob you may know already but just in case you don't we have invited all the LIO chairs and vice chairs to come in and meet with us (Sheida included) this morning at 10am at EPA. The two areas of focus will be the Funding model and the Action Agenda update.

Thank you,

Peter

Hi Peter,

I just talked to Rob and it sounds like we both had a couple items to connect with you on – were thinking it maybe easier to schedule 30 minutes for the three of us to talk. Would you have time for a call Wednesday (3/16) or Thurs (3/17) afternoon – both days anytime after 2:30pm? Wanted to touch base on NEP, bacterial load from Canada, and the what's upstream website. Let us know if there's a time that would work for you.

Thanks!
Julie
